Mr. Morell,

As you are aware, we have been working in close contact with Meroe and other senior management to finalize your manuscript review and that process remains ongoing. While we are very sensitive to your deadline and worked hard to meet it, we do not want to prematurely provide an approval that could be affected by issues currently under consideration. Please know that we will continue to work whatever issues need resolution so that we can finalize our review thereby permitting you to move forward with publication. We apologize for the delay, but will be back in touch soonest.

Thank you, (b)(3) CIAAct
